

Insurance Solutions for Educational Community

Protect your staff and students, **protect the future.**

Comprehensive insurance coverage is essential not only to safeguard the interests of educational institutions, but also to ensure the well-being of staff and students. From unforeseen accidents to medical emergencies, the risks inherent in international education underscore the need for dependable insurance that provides financial protection, peace of mind, and continuity of educational pursuits.

Since 1947 Clements Worldwide has insured more than 200 international schools and universities around the world in over 170 countries. This has provided us with an in-depth understanding of regional risk and insight into educators' unique requirements, making us the ideal insurer for employee benefits, business solutions, and financial lines.

International Insurance Solutions for Educational Institutions

Clements Worldwide is a leading provider of international insurance, and thanks to our coverholder status with Lloyd's of London, we have the underwriting authority to customize solutions to our clients' needs. This has allowed us to create Clements Scholars®, a suite of coverages to protect your staff, alongside business insurance solutions to safeguard your establishment and its operations. Scholars® is custom designed for international institutions, educators, administrators, and their families abroad.

Scholars® Group Medical

Comprehensive coverage, world class health care. Clements has partnered with A-rated insurers to provide medical care internationally.

Technology that enables virtual care. Global telehealth enables consultations with licensed and credentialed physicians.

Easy claims. Our Claims Concierge Service includes a hotline that helps with any claims-related issues and inquiries about your benefits.

Online portal for easy account access. Receive access to health resources through our website or mobile app.
