## Management Solutions

Empowering school finance managers to make proactive, informed decisions.

As a school finance manager, you play a crucial role in ensuring your school's financial stability and success.

In today's complex and fast-paced educational landscape, it's more important than ever to have:

- › robust financial management & accounting systems,
- › effective tracking and managing of budgets,
- › accurate financial reports, and
- › compliance with relevant laws and regulations.

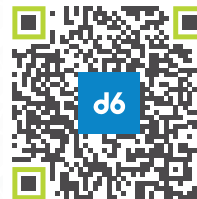

# Finance Management Solutions

Having a solid grasp of the financial aspects of your school helps you make decisions that will positively impact the school's finances, support the academic mission, and provide transparency to stakeholders.

## With d6, you can

- **Make informed** and constructive **business decisions**.
- **Effectively manage your debit orders** from receipting to rejection, processing and reconciliation.
- **Eliminate errors** and **save time** for the capturing of transactions.
- **Save time** by making payments that automatically reconcile and report on all receipts.
- **Proactively manage budgets** by preventing budget overspending.
