Why Moreland?

Our TEACH-NOW program is designed for busy professionals who are serious about growing their careers and salaries. With Moreland, you'll get practical coursework, supportive mentors, clinical learning, and test prep for certification exams.

Flexible

We have rolling admissions and monthly start dates. You can complete the entire program in 9 months, including clinical learning (student teaching).

Classes are 100% online, with live Zoom classes once a week.

Affordable

The program costs \$6,950, with no additional fees. We also offer payment plans or [financing through Sallie Mae](#).

Supportive

Moreland uses a proven global cohort model with small, diverse classes and dedicated mentors. Our expert faculty — all of whom have K-12 teaching experience — give you everything you need to graduate, pass your certification exams, and thrive in the classroom.

In fact, for Moreland graduates who take the PRAXIS, 89% pass on their first attempt.
