More about our

Teacher Certification Program

Hire teachers for your school through our unique Recruit & Train program. Aspiring teachers will complete 350 hours of the online, asynchronous core curriculum and will then complete their 450-hour clinical placement at a role at your school. This will allow your school to find great candidates, train them, and retain them.

Start recruiting great teachers: teachaway.com/recruitment

LICENSE, **RECRUIT,** AND RETAIN

Innovative solutions to license, recruit, and retain great teachers.

Great schools start with **great teachers**

When it comes to maximizing student achievement, one of the greatest decisions you can make is hiring the right teachers for your school.

At Teach Away, we believe every student deserves to experience the power of a great teacher. That's why we're dedicated to making it easy for you to find the highest quality teachers for your students.

Your trusted **recruitment partner**

With more than 20 years of experience connecting the world's best schools with the world's best educators, Teach Away's recruitment solutions have a long and successful history of helping schools maximize their recruitment budgets to find the great teachers they need, easily and affordably.

Tap into the largest network of job-seeking international educators today.

License

Certify unlicensed educators or up-skill your staff with our teacher training solutions, tailored for your school's unique needs.

Recruit

Our easy-to-use online recruitment platform lets you manage your entire recruitment process in one place, from start to finish.

Extend

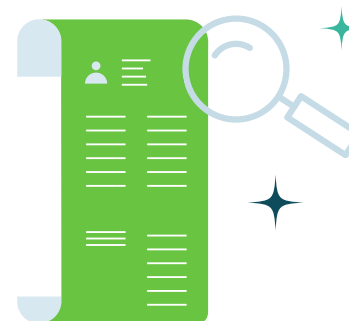

Provide students with instant access to certified teachers at the click of a button through unlimited online tutoring.

Find your ideal **candidate today**

We know that your top recruitment priority is finding the right candidates – the ones with the right qualifications and experience to meet your school's unique needs.

That's why we offer access to a vast and diverse pool of education professionals with a variety of backgrounds and expertise – from newly certified teachers to specialists with years of experience.
