i-Ready® Assessment

See Students Grow

Educators know there is no single way to close the achievement gap. But the pathway to proficiency begins with passionate teachers and practical data.

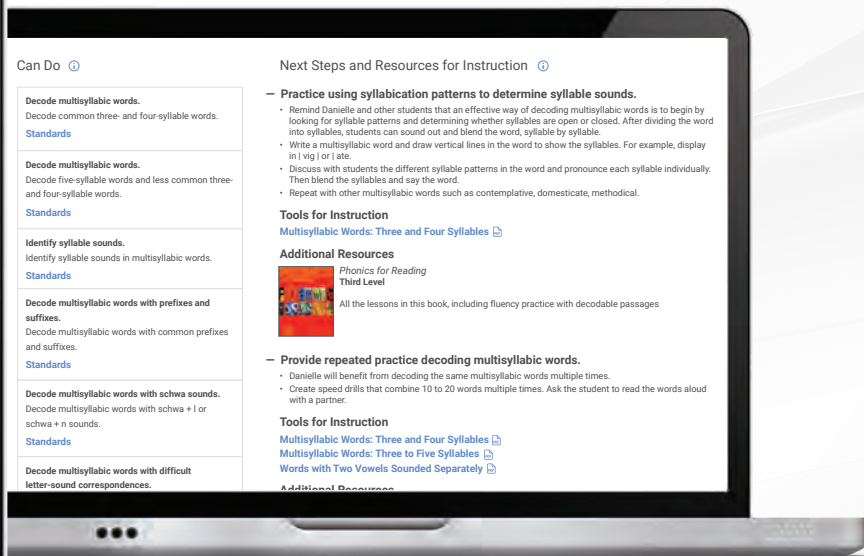

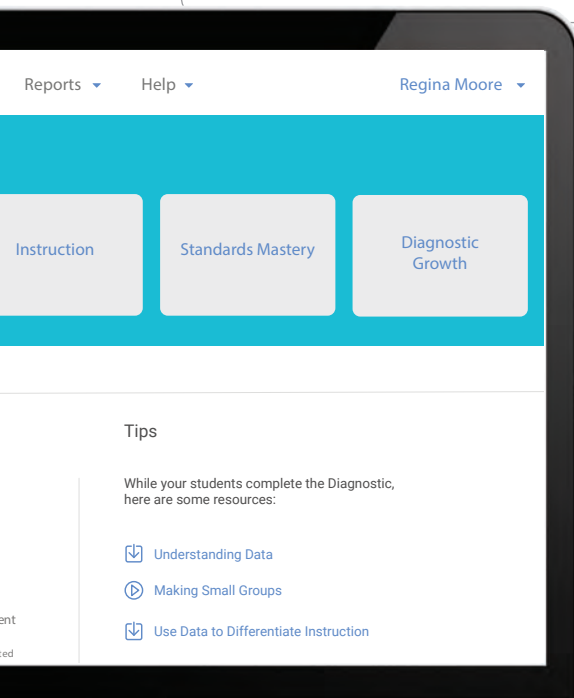

i-Ready Assessment shows how much growth is needed to reach grade-level expectations and what students need to do next to get there:

- Gives every student an aspirational, attainable goal to reach grade-level standards
- Provides data that always informs teaching and learning
- Connects seamlessly to instructional resources that support the needs of all students

Components

- **Diagnostic (K–12)** See a complete picture of student performance and growth with an adaptive test. Tools for Instruction are also included with *i-Ready Assessment*.
- **Growth Monitoring (K–8)** Measure student progress.
- **Standards Mastery (2–8)** Get targeted insight into mastery of grade-level standards.
